

Where We Are — The Orange Door is Our Signature!

We are often asked where we're located, and how we choose each neighborhood. We utilize data to determine areas in highest need and density, that Brilliant Detroit can serve. Next, we talk with the neighborhood—to see if they would like to have a Brilliant Detroit home in their area. Mostly we are enriched by the spirit and the uniqueness of each neighborhood we are located in.

Southwest Brilliant Home

5675 Larkins Street • Detroit, MI 48210

Southwest — Chadsey-Condon

Southwest is one of Detroit's most culturally-rich and vibrant communities, with strong schools, strong families, and groups of supporters who cater to the needs of children and families. This neighborhood is very welcoming, and though there are some challenges, neighbors work together on solutions and improvements. This location is also the home office for the Brilliant Detroit team, and serves as a hub for a host of programming and pilots to test for network-wide implementation.

Central Detroit Brilliant Home

803 Hazelwood
Detroit, MI 48202
313-483-8988

Central North-End

History, beauty, and charm depicts Detroit's North-End area, which has historically been one of the most attractive areas of the city—featuring large homes that are full of character. The area is just minutes away from a rapidly transforming midtown and downtown, and these neighbors are creating transformations of their own in this neighborhood. North-End neighbors have grit, a spirit of entrepreneurship, and a sense of family. This neighborhood is constantly evolving, and innovation is welcomed and embraced.

Cody Rouge — Warrendale

Warrendale is one of Detroit's largest neighborhoods, lined with small businesses, schools and resilient neighbors. Brick bungalows and charming yards are common in the area, with neighbors that care about their homes and community. In recent years, Warrendale has faced challenges, and neighbors are proactive in creating change and moving the neighborhood forward through revitalizing efforts, radio patrols to reduce crime, and welcoming the efforts of Brilliant Detroit—not to mention creating urban gardens.
